

Vori Health Virtual Treatment for Back, Neck and Joint Pain

Small Business Benefits

For effective dates of Aug. 1, 2024, and later, covered employees and their dependents 18 and older have access to Vori Health's virtual musculoskeletal (MSK) treatment for back, neck and joint pain.

Covered employees can use this service to help save on healthcare costs by avoiding more invasive procedures and can be done on their schedule at home.

- Covered employees can schedule telehealth visits with a care team that includes doctors and physical therapists.
- A personalized treatment plan for MSK conditions will be provided by the care team.
- Included with all major medical plan designs.
- Easy and convenient to get started.
 - Create an account and schedule a visit.
 - Talk to a doctor and physical therapist at the first visit.
 - Get a personalized treatment plan and feel better.

*This service is available at no extra cost for non-CDHP designs. For CDHP designs with plan years beginning Jan. 1, 2025, and after, Vori Health virtual treatment services will be subject to deductible and coinsurance for members and adult dependents 18 and older.
