

Trustmark Accident Insurance

Coverage for when life takes a tumble.

Helping you prepare for the unexpected

Accidents happen. And medical insurance deductibles are going up, which can make **sudden expenses** like the medical costs associated with an accidental injury harder for your family to deal with.

Trustmark Accident insurance pays **cash directly to you** for treatment for covered accidents. The plan pays **regardless of other coverage** you have, and there are **no restrictions** on how you may use the money.

With Accident insurance, you can worry less about your bills, and **focus on recovering.**

Benefits for injury and care

Accident insurance pays based on your injury and the care you receive. Benefits are included for medical services, including:

- Hospital admissions
- Ambulance transport
- Physical therapy
- Prosthetic devices or artificial limbs
- Skin grafts

... and for covered injuries, like:

- Fractures
- Dislocations
- Burns
- Concussion
- Amputations

These are just examples. A complete schedule of benefits will be listed in your policy.

Accident insurance pays you directly

Trustmark Accident insurance can be used any way you like, to help you pay for things like:

- Deductibles
- Co-payments
- Transportation and lodging costs
- Everyday bills

Accident insurance offers **coverage for certain accidental injuries**, as well as for medical care and equipment to treat them.

Your affordable rate isn't based on your age - and it will **never increase** for as long as you have the policy.
